Aéroports de Paris builds, develops and manages airports including Paris-Charles de Gaulle, Paris-Orly and Paris-Le Bourget. In 2011, Aéroports de Paris handled more than 88 million passengers and approximately 2.5 million tonnes of freight and mail in Paris, and around 40 million passengers in airports abroad.

With an exceptional geographic location and a major catchment area, the Group is pursuing its strategy of adapting and modernising its terminal facilities and upgrading quality of services, and also intends to develop its retail and real estate business. In 2011, the Group's revenue stood at €2,502 million and its net income at €348 million.
