Aéroports de Paris builds, develops and manages airports including Paris-Charles de Gaulle, Paris-Orly and Paris-Le Bourget. With 83 million passengers handled in 2009, Aéroports de Paris is Europe's second-largest airport group in terms of airport passenger traffic and the European leader for freight and mail. With an exceptional geographic location and a major catchment area, the Group is pursuing its strategy of adapting and modernizing its terminal facilities and upgrading quality of services, and also intends to develop its retail and real estate business. In 2009, the group revenue stood at 2,633 million euros and the net income at 270 million euros.
