TAV Airports, owned by Aéroports de Paris at 38%, was not chosen for the new Istanbul airport

Aéroports de Paris notes the Turkish General Directorate of State Airports Authority (Devlet Hava Meydanları İşletmesi or DHMI) decision to retain another candidate than TAV Havalimanlari Holding A.Ş. ("TAV Airports") for building and operating the new Istanbul airport.

Aéroports de Paris fully supports TAV Airports in both its offer and decision not to exceed the financial proposal amount that appeared reasonable.
