Aéroports de Paris SA specifies that the decision of the ASI not to approve the proposed 2017 tariffs will not modify the company's financial equilibrium and recalls the laid down regulatory process

Aéroports de Paris SA has taken note of the decision of the Autorité de Supervision Indépendante (ASI, Independent Supervisory Authority) published on 19 January 2017 not to approve the proposed aviation fee tariffs applicable from 1 April 2017. The refusal of approval was primarily motivated by a technical consideration in the fee for the provision of the computerised check-in and boarding system (CREWS).

The regulatory provisions lay down that Aéroports de Paris SA should present a new proposal for 2017 tariffs within one month of the decision of the ASI, and that the latter is invited to issue its decision within 15 days of the new notification of tariffs.

Aéroports de Paris SA specifies that it does not anticipate any modification in the financial equilibrium of the company due to the application of the 2017 tariff grid that Aéroports de Paris SA is willing to propose to the ASI.
