Aéroports de Paris builds, develops and manages airports including Paris-Charles de Gaulle, Paris-Orly and Paris-Le Bourget. With 88.1 million passengers handled in 2011, Aéroports de Paris is Europe's first airport group in terms of airport passenger traffic. With an exceptional geographic location and a major catchment area, the Group is pursuing its strategy of adapting and modernizing its terminal facilities and upgrading quality of services, and also intends to develop its retail and real estate business. In 2010, the group revenue stood at 2,739 million euros and the net income at 300 million euros.
